I want to be able to write a
recount about our school trip.

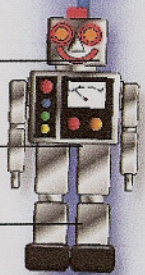

First we got on the coach with our
partners. Then we arrived at the
cinema we watched a story at the

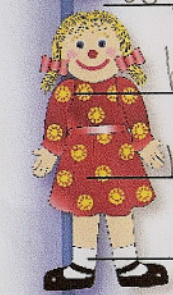

cinema. I nearly fell a slip on my
mom my Beac use I was shattered my
head off. I couldn't believe it at all.

I liked it when Ken met Barbie
Dobey. I

Also I liked it when Lotso and Barbie got
trapped in a golden trap. I had
a fabulous time there. finally we got

back on the coach, off the coach
back to school, did some big riddle
in the class room.

See reverse.
